Your final assignment of the year is to create a PowerPoint presentation about yourself. It should be made using the www.office.com website, and choose the PowerPoint icon to start!

Videos with PowerPoint features and slide ideas can be viewed on my YouTube channel, which is linked from my website....www.laynemclean.com This is the best place to start!

Here are some of the topics for your slides, in no particular order or requirement....but just to serve as a guide for you to get started.

- My Family
- My Animals
- Where I live
- My Occupation – FHS
- My Toys
- Hobbies
- Friends
- Music
- Leisure Activities
- What changed for me during the Pandemic
- What I am looking forward to being able to do soon

Have some fun with this project. The final due date for this PowerPoint to be shared with Mr. McLean is May 29, 2020.
